

3. Walkies

Axel went for a walk with the Moonlights.

They took Seff to the forest. Axel held Seff's lead.

Sometimes Dusk rode on Seff's back. Sometimes Axel rode on Seff's back.

Seff got tired from carrying the children. He sat down to have a rest.

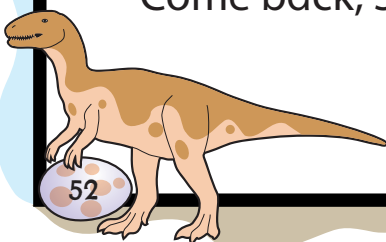

"Seff is great!" said Axel. "I want a pet dinosaur like Seff."

Axel knew his mum didn't want him to have a dinosaur in the cave.

Suddenly, Seff heard a noise and ran into the forest.

Axel and Dusk ran after him.

"Come back, Seff!" they shouted.

Name: _____

I can use irregular past tense verbs.

Not all past tense verbs follow the add 'ed' rule.

Circle the past tense of the verbs in bold to complete the sentences.
