

## 2. Going Fishing

“Come on,” Dad said to Axel. “Let’s go fishing.

You might be fearless, but you were a hopeless hunter.

And you might be reckless going into that bear cave,  
but you certainly didn’t act brainless today.

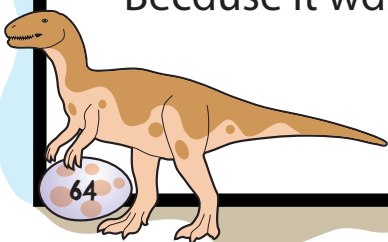

That idea of rolling the firestone left me speechless.

You were amazing!” said Dad proudly.

“Let’s see how you get on with fishing.”

Dad took Axel to the lake. It was a blue, cloudless sky.

Because it was hot, they rolled down their tunics and went topless.
