

How will we protect you?

We will provide a safe environment for you to learn in.

We want to make sure you remain safe, at home as well as in school.

If you need to talk, we will listen.

We think it is important for you to know where to get help

What is child protection?

At St George's all of the adults think that your health, safety and wellbeing are very important. We respect you and want to keep you safe. We do our best to help you to make good progress in your learning and to be happy. We teach you how to recognise risks and how to stay safe. We are a Rights Respecting School and we ensure that every child has access to their rights.

-  Taking your things
-  Sending unkind messages on the internet or to your phone

Who can you talk to?

If you are worried about something you can talk to an adult in school. This could be your teacher or any of these adults.
