

12/9/25

## St George's C of E Primary School

What's happened this week....

It has been so lovely having the children back after Summer holidays. School has been very busy! We have had our first whole school assemblies, where we have shared our theme for this term of thankfulness.

### EYFS

Welcome to our wonderful class of 2025. We have had the most amazing 2 weeks in School. The children really are quite incredible. We have been learning our daily routines using our visual time line and job board to help us through the school day. We are getting more independent by the day. Well done Reception we are so very proud of you.

### Year 1/2

We have made an excellent start to our time in Year 1/2. We have enjoyed learning about character descriptions. We have hot seated characters, such as the Queen of Hearts from Alice in Wonderland, and learnt about using adjectives to describe.

### Year 3/4

The children have made a super start to Year 3/4! We have been reading 'The Iron Man' and have created some brilliant artwork, using different pencils to add shading and convey mood.

### Year 5/6

We have had a busy week in Year 5 and 6! Some of our Year 5s have been super swimmers and really impressed everyone with their resilience and bravery.

Meanwhile, Stockport County came in and have been running sessions for the other children. They had a brilliant game of football with the players! What a treat!
