

Story 11  
Yucky Grub!

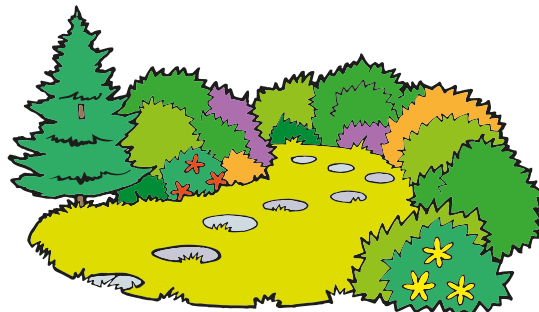

## 11. Yucky Grub!

Tommy lived in a house in the middle of a big garden.

His mum and dad wanted him to stay in the house where it was safe.

But Tommy enjoyed playing in the garden.

Tommy sneaked out of the house and looked for his friends.

He visited his friend, the mouse.

They played together in the long grass.

The mouse nibbled on some grass seeds.

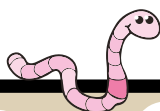

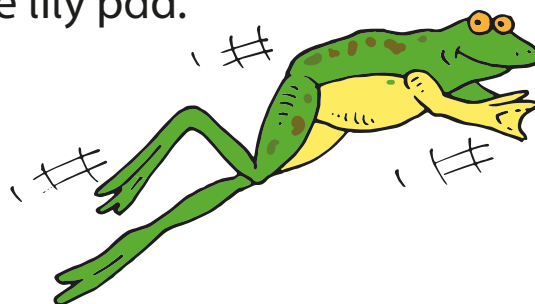

The mouse offered some seeds to Tommy.

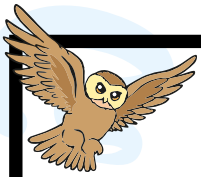

“Yuk! They taste horrible!” yelled Tommy.

Tommy and the mouse walked to the pond to see the frog.

They watched the frog jump onto the lily pad.

The frog jumped high in the air and landed next to Tommy.

"Wow! You can jump well," laughed Tommy.

Tommy wished he could jump high.

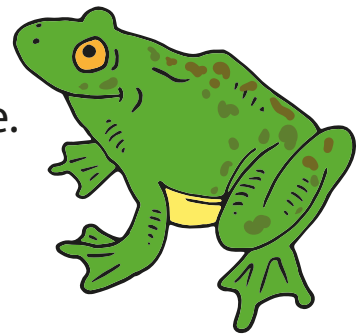

He wanted to jump high in the air like the frog.

A big, black fly buzzed over their heads.

The frog quickly popped out his long tongue.

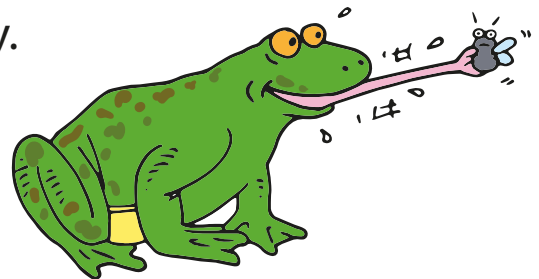

The frog snatched the fly and gobbled it up.

Tommy watched the frog eat the fly.

"Yuk! Do you eat flies?" asked Tommy.

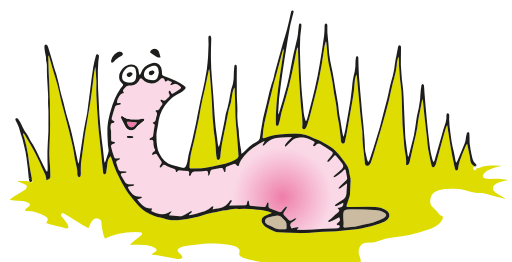

His friends liked eating yukky things.

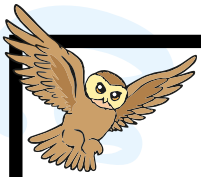

Tommy, the mouse and the frog started to cross the lawn.

They stopped when the worm poked his head out of a hole.

The worm wiggled out of the hole and wiggled in front of them.

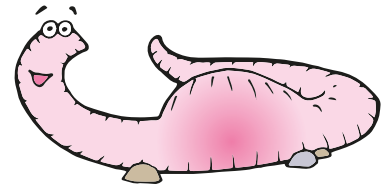

"My tummy's full," sighed the worm.

"What do worms eat?" asked Tommy.

"Worms eat mud," answered the fat worm.

"Yuk! You lot like eating yukky things!" shouted Tommy.

Just then Peewee hopped up to the friends.

Peewee needed to find some food to eat too.

"Mouse nibbled grass seeds," said Tommy.

"Frog gobbled up a fly and the worm munched on mud.

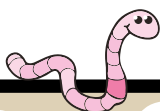

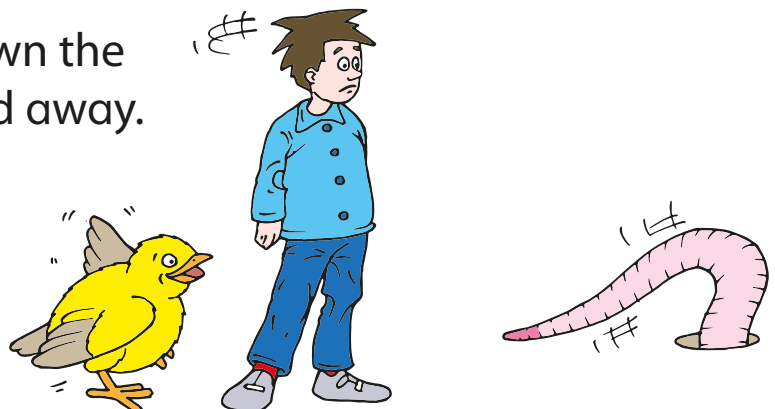

What do you eat?" Tommy asked Peewee.

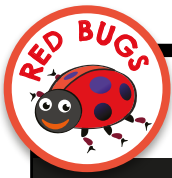

"Worms!" tweeted Peewee.

The friends turned round and looked at the worm.

The worm dived back down the hole and quickly wriggled away.
