

5. Dusk to the Rescue

Axel went inside the cave. It was very dark in the cave.

He couldn't see a thing. He walked into a wall.

The wall was soft and hairy! The wall was wet and smelly!

The wall began to move! Uh-oh! What was it?

The wall let out a roar. What a roar! It wasn't a wall at all!

It was a huge cave bear. Aghhh!

Axel ran out of the cave. The bear ran after him.

"Climb up here!" shouted Dusk.

Dusk was standing on top of an orange spiky hill.

Name: _____

I can recognise statements, questions, exclamations and commands.

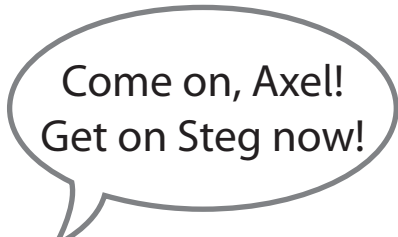

Decide whether the sentences are statements, questions, exclamations or commands.
