

### 3. Visitors

Mum looked at Axel's and Tuft's paintings on the wall.

"What are we going to do?" said Mum.

"We have visitors coming in an hour."

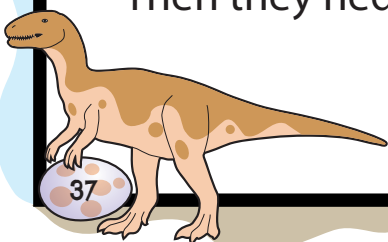

"This is awful! What will they think?" she said with a sorrowful look.

"I've been cleaning all morning."

"This is painful for me too!" said Dad shaking his head.

Axel looked at the wall. He really had done a dreadful thing!

Then they heard a knock on the cave door. It was the visitors!
